Folks-- attached are: 1) EPA's recent NEPA comments on the DEIS for the SPR, 2) EPA's comments on the pre-public draft rule during OMB interagency review, and 3) a summary of the proposed SPR provisions from OSM's website. Our summary comments are on the first two and three pages, respectively.

Ex. 5 - Deliberative

Looking forward to joining OWM, OST, and others in a briefing.

Thanks,

John

Ex. 5 - Deliberative

The comment period has recently closed on the proposed rule. [REDACTED]

[REDACTED] Would be good to get 30 minutes on your calendar to discuss substance and next steps. I'll work with crystal to schedule a meeting. John - can you send Joel the most recent set of comments we provided on the SPR.

Thanks
